

Support the 42nd Idaho State Forestry Contest!

Bonner Soil & Water Conservation District, Idaho Department of Lands, Idaho Department of Parks & Recreation, & the National Resources Conservation Service are proud to co-sponsor the 42nd Idaho State Forestry Contest. This one-day, hands-on event provides Idaho's youth with an invaluable opportunity to explore forestry and natural resource professions.

The Forestry Contest continues to grow. In 2024, over 400 students, 95 coaches/chaperones, and 150 volunteers participated. This success wouldn't be possible without the generosity of our donors.

We sincerely thank you for your past contributions and ask for your continued support for the 2025 event. There are no entry fees for participants, and it costs approximately \$11,000 annually to host the Contest, covering course supplies, equipment, rentals, and event-day expenses.

Donor Recognition

As a donor, your name will appear:

- On the event banner displayed at the Contest
- In the Forestry Contest brochure provided to all participants and volunteers
 - In newsletters reaching over 200 recipients
 - On the Bonner SWCD and Idaho Department of Lands websites

Your support makes a lasting impact by helping students learn directly from natural resource professionals.
