## **Discussion Meet**

Discussion Meets are a competition where a pre-decided topic is discussed between participants. The participant's responsibility is to exchange ideas and information in an effort to solve a problem. Winners will receive a cash prize and will go on to compete at State.

## **Speech Contest**

Any High school student interested in the speech contest must prepare a 6-8 minute speech on an agriculturally related topic. The speech is then presented in front of judges and an audience, which is opened for question after the contestant is finished. Winners will receive a cash prize and will go on to compete at State.
